Seniors Strive for Recognition!

A few seniors find a moment to catch up on all the news.

We, the seniors, have many fond memories to treasure from this eventful year. When the purchasing of pictures, announcements, and tassels are behind us, even though few of us will admit it, there will be some sad tears shed and regrets at leaving our Alma Mater. We will be venturing into a new world on our own and in future years when marriages have taken place and circumstances have changed, one of the truest pleasures of all will be looking at our yearbook and recalling old memories.

Sophomores Have a Busy Year

The sophomores have tried hard to fulfill the obligations and requirements placed on them. They have strived to do their best in the various clubs and activities available to them. They showed their school spirit and sportsmanship by working on the

Homecoming display and by participating in pep meetings. They worked hard on different projects to earn money for the class treasury and showed to the student body that they had the determination to carry out their responsibilities.

The freshman class proudly entered high school eagerly awaiting the opportunities the year would bring. The class added its numbers to the athletic and musical activities. The first major project was the homecoming display. The class diligently worked

with the sophomores only to take second place. This year our treasury was started by the annual magazine sale, and the year ended with the freshman picnic. Having completed the first step, the class felt more prepared for the years ahead.

A few freshman take a break at noon from the daily routine of study.

Than Successful Season

FOURTH TEAM

LINEMEN: M. Stocker, S. Matherly, T. Nettifee, R. Shepard, T. Thomas, B. Running, S. Sloss.

The Dragons started the season with a 20-6 loss to Ballard of Huxley, but came back and stole the next game from Colfax, 20-0. Although the gridders only won one conference game, Sadyel, they received several honors of which they can be proud of.

Johnston was named the most valuable team in the 1964 Cerebral Palsy Football Game. Merlin Purdue was named the most valuable back in that game.

Another game we are proud of is the Southeast Polk Game. For the second year in a row, the Dragons have given the Rams the biggest run for their money. They held them scoreless until late in the fourth quarter after coming only inches from scoring late in the first half. The Rams finally won 7-0.

The Year 'Marked Time' with Music

The bright gold of the drill team uniforms highlighted many halftime performances. The girls practiced many long hours to work with the band. With everyone usually in step, the drill team presented good entertainment. Debbie Prince and Carolyn Tilton were co-captains for the season.

Led by drum majorette Sandy Law, and directed by Mr. Reisetter, the marching band made a good show at the four home football games. They presented various marching routines to many of our favorite songs. The band also participated in the annual Ankeny Festival. Majorettes are Jayette Sheets, Linda Stillwell and Judy Lint.

The band has shown a great improvement since the past year and we are all grateful to Mr. Elden Reisseter.

This year's Pep Band under the direction of Elden Reisseter, played during the halves of the eight home basketball games, pep meetings, and football games to promote school spirit and for entertainment.

J.H.S. Students Have Many Musical Talents

Four members of the Johnston High School Band were auditioned and chosen by Drake officials to participate in the 259 piece Honor Band February 12, 1966 at Drake Field House. This was the first year for the Honor Band. It gave high school students an opportunity to play in a large band. The concert was taped and records were made for the participants as memorandums.

Mike Lowry, Rick Carlson, Linda Kimsey, and Tom Nettifee.

The Concert Choir, under the direction of Mrs. Ansorge, began a busy year sporting new blue blazers. Some of the programs that filled their year were the annual Christmas party at Camp Dodge, caroling, a Lenten Concert, and a presentation at Veteran's Auditorium.

Cagers Complete Successful Season

With three starters returning from last year's team and a group of hot-shooting juniors, the Johnston boy's basketball team compiled an impressive 11-8 record. The season was highlighted by the 58-51 victory over Bondurant-Farrar which gave the Dragons the sectional championship.

Ray McClung was unanimously selected to the All-Conference First Team for the third straight year. Ray was also the Suburban Conference scoring leader. The reserves played a major role in the successful season by helping keep the Dragons on top in many close games.

Johnston Girls Named Giant-Killers!

The girl's basketball team totalled a 4-11 record at the end of the season. Terri Seibert, second in Suburban scoring, was named to the All-Conference First Team. Sandy Law was elected to second team and Linda Stillwell and Linda Hanna received honorable mention.

The highlight of the season was named "the state's major upset in sectional tournament play". The Dragons passed and scored over Valley, last year's runner-up in the state, by a victory of 52-50. Backed by a tough guard court, Terri popped in 43 points for the giant-killers.

The Johnston wrestlers ended the season with a dual meet record of 4 wins and 5 losses. They started the year with three first places in the Greenfield Invitational Meet. They were Sam Sloss, Tom Thomas, and Steve Moss. They did equally as well in the Conference Tournament with Sammy, Tom, and Steve Findley taking firsts. These three also went on to win Sectional titles and Sammy a District title. Advancing to State, Sammy had a record of 20-0; it was at State where he met his match. He won his first, but lost the next two by a very close score each time. He placed fourth in State.

Steve Findley as he wins one of his Sectional matches.

Team waits anxiously as they are introduced before the Ankeny meet.

Joyous Songs for Christmas

We especially remember music as a very important part of our life at Christmas time. The annual Christmas Concert by the band and chorus presented many well-known tunes and carols. Above, the girl's glee club sings a few lusty notes of the season. Below, the concert choir shows off their blazers for the first time.

Drama Club Presents "A Christmas Carol"

Bob Murphey, as Scrooge, watches the Cratshet family in action as Sandy Law, the Ghost of Christmas Future shows him the fate of Tiny Tim.

A Christmas Carol, rewritten and directed by a Junior, Tom Nettifee, was presented to the students and parents during the Christmas holidays. It marked the beginning of one of Johnstons new associations, Drama Club. Much work on the newly introduced thrust stage took place as well as making enough costumes for the forty-three actors. The two performances proved to be most successful!

Freshman, Lona Hanson prepares make-up that will be placed on Debbie Prince for her part as a vulture in the "Christmas Carol".

Spring Play Reflects Fine Arts

A MINUET presents a bit of drama about an aristocratic nobleman, estranged from his wife, and the touching reunion that comes as both await a summons to the guillotine. The playwright endeavored to establish perfect proof of the innate nobility of character in certain of the old aristocrats of France. All three characters emerged as stereotypes.

THE MAN WHO MARRIED A DUMB WIFE was founded on a brief passage in Rabelais' "Lives, Heroick Deeds and Sayings of Gargantua and His Son Pantagruel." Anatole France used farce to present a social satire dealing with the artificial and ridiculous behavior of the French aristocracy. The elegant lords and ladies strutted their way on stage, bowing and fawning in an attempt to impress all with their smug superiority. The reverse effect, however, was achieved when we perceived their shallow minds and token behavior. In the final scene France depicted them as members of a society quite mad with a contagious and terminal disease.

Awards Highlight Banquet

On March 26, one hundred twenty six students were honored for athletic, musical, dramatic, and scholastic abilities at Hyperion Field Club. These students were guests of the Johnston Lions Club at a well-planned banquet. Parents, alumni, and other students also were on hand to enjoy the events of the evening.

Appetites were appeased at the buffet-style dinner.

Spring Brings Boy's

The Johnston track team has not been as strong this year as in the past. However, they have been strong in several events. Tom Hoke broke the school record in the shot put with 45'6 1/2". The mile relay team consisting of Merlin Perdue, Andy Schweitzer, Tom Nettifee, and Ron Purcell came with .1 second of the school record. The medley relay has never been beaten in any competition. Johnston has also been stronger in the field events than in the past few years.

Many hours of running, bruises and sweat belonged to the twenty three member girl's track team. Coached by Jack Braby, the girls ran various relays, and hurdles, and participated in field events in four meets.

Dressed in new track uniforms, the girl's also represented Johnston in the Drake Relays, Wildcat Relays, and the District Track Meet.

Girl's Golfers Earn Trophy As

The girl's golf team had a very good year winning the Suburban Conference Golf Meet at Woodside and placing third in the District meet. Throughout the season they won seven meets and tied one. When there weren't meets, they practiced at Woodside Golf Course.

Boy's Hit Lowest Score

In the regular season, the boy's golf team won three meets, defeating Carlisle, Saydel, and Norwalk. They took fifth in the conference meet and eleventh in the district meet.

Lanny Reese, a sophomore, shot a 39, the lowest score in five years. He will be back next year with four other lettermen to lead a strong team. Thanks to the time Mr. Schuler put in to help the boys, they feel they will take the conference in 1967.

Slow Season for Baseball

The baseball players ended a slow season with a record of no wins and twelve losses. Pitchers Shelby Johnson and Rod Clarkson were backed by twenty-six team members.

Coaches were Mr. Kibby and Mr. Jay.

"The Boyfriend"

Under the direction of Mrs. Iona Ansorge and Miss Ann Hawn, a musical comedy was presented as the spring program. "The Boyfriend" written by Sandy Wilson, takes place on the French Riviera where Polly, a millionaire's daughter is attending Mme. Dubonnet's fashionable finishing school. Council Leads Student Body

The newly elected student council met for the first time as a new group, in the spring of 1965. Here plans for the upcoming summer and fall meetings were made. During the summer the 18 class-elected representatives and its president, Steve Alms, sent two members to the student council workshop at Cedar Falls. They gained new ideas and presented them to the council in the fall.

Homecoming activities were organized by the student council. An inter-school dance with Urbandale was sparked by the council and both turned out to be great successes.

The council sent three senior members to the annual state convention at Ames. Here the members sat in on discussions concerning problems and solutions for each school. Other projects that the council sponsored included an assembly each month, a get-acquainted dance, shorts day, clean-up day, and donations to worthy groups.

A Place of Study

Twenty-eight students made up this year's staff of library assistants. These assistants helped other students become acquainted with the library facilities and their uses.

Library assistants received valuable experience which will benefit them in their future years of school.

Students Prepare for Careers

The Future Medical Careers Club promotes all branches of the medical profession. It's members have participated in the high school Red Cross Volunteer Worker's program. The junior and senior members of the club spent one evening a week working at Veteran's Hospital. Sponsored by Mrs. Mott, our school nurse, the club prepared its members for a future career.

The members of FTA, an organization of Future Teachers of America, became student aides during the year. Directed by Jay Cookman, guidance counselor, the members taught elementary classes. This year they traveled to the State College of Iowa on Perspective Teacher's Day. The girls were given a tour of the campus and attended some of the classes.

New Dark Room for Photography Club

With the help of Mr. Siderman, Mr. Ackerman reorganized the Photography Club. This year a dark room was modeled from an old locker room. It is fully equipped to develop and print pictures and is big enough to handle three people at one time. Meetings, which were held twice a month, helped the members learn new techniques in photography. Later on, the club hopes to be able to supply the school with the pictures it needs.

School Spirit Led by Cheering Voices

The Johnston Pep Club has helped boost school spirit by cheering at pep assemblies and games. Through the year they raised money to pay for uniforms consisting of a purple vest and skirt. Officers for the year were President, Sue Masters; Vice President, Judy Lint; and Secretary-Treasurer, Marian Sharp.

J.C.I.C. Brings

The Johnston Community International Committee in its second year sponsored two foreign students on the American Youth Exchange for ten weeks. Led by president James Weatherspoon and student president Mike Lowry, the organization sold candy bars to raise money for the program.

Nani Pereira lived with Terri Seibert and her family. She was from Lima, Peru where she came from a large family. To Julio Galinda, student from Santiago, Chile, she was a welcome sight. He could speak very little English at which Nani was fluent. Julio stayed with the Steve Templeton family in Grimes. Both students arrived in January and left in March.

Journalism Class Puts Out Dragon

The journalism class, led by editor Steve Moss, spent many hours compiling the 1965-66 DRAGON. The year began with selling advertising and annuals. Throughout the school year, the class shared the duties of taking pictures, planning mats and writing copy. Different phases of journalism were introduced to assist the students in their work.

This year, twenty-one girls assisted the school's two secretaries. The girls answered the telephone, recorded attendance, mimeographed, used the intercom, and were all-around errand girls for the administration and office staff.

The girls gained experience in the office that will be valuable in jobs by learning to use various office machines. The work they did was strictly voluntary and benefitted two purposes; their own education and the school's staff.

When it came to lunch time, many of our student's gave the cooks a hand with serving. They also helped keep the lunchroom neat and clean.

Enthusiasm for New Drama Club

For the first time at Johnston, a drama club was organized. Sponsored by Miss Hawn, the club set up a constitution and elected officers: President-Terri Seibert, Vice President-Sandy Law, Secretary-Treasurer-Linda Shannon. At Christmas time the Christmas Carol was dramatized. Two short plays were presented in the spring. School pins were sold by members to raise money. In the future the Drama Club hopes to sponsor pep skits and assemblies during the year.

English - A Study of Our Own Language

English is one of the most important required courses at Johnston. English, speech, and creative writing are offered to all high school students. The freshman class studied the last steps in grammar and an introduction to literature. Sophomores learned library techniques and highlighted the year with a study of Julius Caesar. American literature and the research paper were important parts of the junior's year, just as English literature, MacBeth, and book reports completed the senior's year. Mrs. Varner taught us the importance of the French language in writing and speaking. Miss Hawn encouraged self expression through writing and speech.

History - The Past and Present

The various forms of social science consist of government, economics, world history, world geography, and American history. The freshmen's studies of citizenship gave them a clear background of their future responsibilities. Math for a Modern World

Everything in the world has shape and form. Through math we learn to interpret, use, and design our surroundings. General math introduces the basic concepts of numbers and figures on which other courses are built. Algebra teaches us letters and symbols used in calculating imaginary and real numbers. In geometry we learn deductive reasoning and logical thinking. Advanced math tries to prepare students for college work in a review of analytic geometry, probability, and trigonometry.

YOUR NATIONAL GUARD

Today the National Guard is taking on the biggest responsibility in its three-hundred-year history. In both national emergencies and worldwide crisis, the Guard has demonstrated again and again that it is versatile, capable and dedicated. What makes the Guard something special? the men who serve in it! They are all volunteers! And you can always count on volunteers giving a little extra something to any job they've got to do. Right now, the men of the National Guard stand ready to meet any challenge, anywhere, anytime. Because Guard units are located in many different areas of every state, our people know that if disaster strikes, help is never far away. The National Guard is the only trained and equipped military force available to each state Governor in the event of an emergency. For men who accept the challenge there is an opportunity to serve with great pride, in the National Guard where National Defense comes first. National Defense is everybody's business, and so is your National Guard.

PIONEER HI-BRED CORN COMPANY

1206 Mulberry St. • Des Moines, Iowa 50308

FIFTY-TWO YEARS OF PROGRESS THROUGH IMAGINATIVE RESEARCH

1913 Henry A. Wallace begins
revolutionary corn breeding work.

1926 Pioneer Hi-Bred Corn Company founded by Henry A. Wallace, F. W. Lehman, Jr., J. J. Newlin, James W. Wallace, Simon Casady, Jr., and a few other friends. Today, Pioneer brand seed corn is sold in all the corn producing areas of the U. S. as well as in Germany, France, Spain, the Netherlands, Portugal, and Canada.

1940 First Hy-Line chicks sold in Iowa. Today, Hy-Line chicks are marketed in 55 countries. More Hy-Line chicks are sold than any other brand of layer-type chicks.

1962 Indian River Poultry Farms becomes a department of the Pioneer company. Indian River cockerels sire broiler chicks for producers in the U. S., Canada, and South and Central America.

1960 First Pioneer brand sorghum seed sold. Pioneer Sorghum Company formed in Plainview, Texas, in 1962 as a department of the Pioneer Hi-Bred Corn Company.

1963 First Pioneer brand alfalfa seed sold. Bred by the Arnold-Thomas Seed Service in Fresno, California, in cooperation with the Pioneer Hi-Bred Corn Company.

ALL-OUT YIELDERS!

**Pioneer's New Generation hybrids
make the most of today's
corn growing advances**

For 1966, Pioneer offers you a New Generation of hybrids—exceptional performers to fit your specific corn growing needs.

These varieties are especially suited to top-level farming—where high fertility, high populations, weed and insect control, and top-level management open the way to new yield goals. You can meet these needs with Pioneer's New Generation hybrids.

Supply of many of these top performers won't last long. So order now and get first call on the hybrids that can help you get all-out yields.

A SINCERE THANKS-

to all of my customers
for their purchases
of Pioneer seed corn

We appreciate the trust you put in Pioneer hybrids, and will try to merit your future business by continuing to develop even better hybrids.
